

§ 530.11

(4) Documents supporting the clerical or administrative error; and

(5) A brief statement from the other party to the contract concurring in the request for correction.

(6) If the request for correction is granted, the carrier, agreement or conference shall file the corrected contract provisions using a special case number as described in appendix A to this part.

(d) *Electronic transmission errors.* An authorized person who experiences a purely technical electronic transmission error or a data conversion error in transmitting a service contract filing or an amendment thereto is permitted to file a Corrected Transmission ("CT") of that filing within 48 hours of the date and time of receipt recorded in SERVCON (excluding Saturdays, Sundays and legal public holidays). This time-limited permission to correct an initial defective service contract filing is not to be used to make changes in the original service contract rates, terms or conditions that are otherwise provided for in paragraphs 530.10(b) and (c) of this section. The CT tab box in SERVCON must be checked at the time of resubmitting a previously filed service contract, and a description of the corrections made must be stated at the beginning of the corrected service contract in a comment box. Failure to check the CT box and enter a description of the correction will result in the rejection of a file with the same name, since documents with duplicate file names or service contract and amendment numbers are not accepted by SERVCON.

(e) *Cancellation.* (1) An account may be adjusted for events and damages covered by the service contract. This shall include adjustment necessitated by either liability for liquidated damages appearing in the service contract as filed with the Commission under § 530.8(b)(7), or the occurrence of an event described below in paragraph (d)(2) of this section.

(2) In the event of cancellation as defined in § 530.10(a)(3):

(i) Further or continued implementation of the service contract is prohibited; and

(ii) The cargo previously carried under the contract shall be re-rated ac-

cording to the otherwise applicable tariff provisions.

(f) If the amendment, correction or cancellation affects an essential term required to be published under § 530.12 of this part, the statement of essential terms shall be changed as soon as possible after the filing of the amendment to accurately reflect the change to the contract terms.
